The City of Miles City Retired and Senior Volunteer Program Newsletter

NOVEMBER /DECEMBER 2012

Decorative border of stars on the left side of the page.

Holiday Open House

RSVP's Annual Holiday Open House will be held on Wednesday, December 19, 2012 in the VA Auditorium from 11:00 a.m. to 1:30 p.m. Soup, bread, and dessert will be served.

Fall Fundraiser Drawing

RSVP's Annual Fall Fundraiser is currently being held. If you would like to enter to win the **Grand Prize of a \$50 Gift Certificate to Reynolds Market** contact an Advisory Council member, or stop by the RSVP Office. Drawing will be held at the Holiday Open House December 19, 2012 at 1:30 p.m.

Volunteer Appreciation

We have combined the Annual Fall Volunteer Recognition Brunch and the Spring Volunteer Appreciation Tea into one event. Watch for more details about the Volunteer Appreciation/Recognition Event and mark your calendars so you can be sure to attend the celebration which will be held on May 1, 2013.

SOUP SUPPER RECIPES

If you have donated soup, bread, or cookies to RSVP's Soup Supper in the past 3 years we would love to have your recipe. Or, if you just have a recipe for soup you would like to share please send it to us at:

RSVP

210 S. Winchester Ave. #225

Miles City, MT 59301

or e-mail to

rsvp05@midrivers.com

Each year we have requests for soup, bread, or cookie recipes at the Soup Supper. We will be putting the recipes together to use as an additional fundraiser at the Soup Supper which will be held March 14, 2013 at the VFW Hall.

Fall is here and we all know what that means....the annual RSVP Fall Fundraiser!

For every dollar donated to RSVP your name will go into a drawing for some fabulous prizes.

GRAND PRIZE IS A \$50 Gift Certificate to Reynolds Market.

The drawing will be held on Wednesday, December 19, 2012 at the annual Holiday Open House. Tickets may be purchased at the RSVP Office, from any Advisory Council member and will also be sold at the Holiday Open House.

WHY DO WE RAISE MONEY?

We often get asked why we have to raise money. The reason is we have to show community support for our RSVP program and match with local donations the grant funds we receive from the Corporation for National and Community Service.

So we need EVERYONE to help.

Thank you for your support of RSVP!

OPEN ENROLLMENT DATE CHANGE MEDICARE D & MEDICARE ADVANTAGE

Each year Medicare D and Medicare Advantage plans can restructure their benefits. They are allowed to change their premium cost, deductibles, copayments and what drugs they will cover.

The annual open enrollment period for Medicare D and Medicare Advantage plans changed this year. Open enrollment is from October 15, 2012 through December 7, 2012. Changes made in your plan will become effective on January 1, 2013.

The plan you are currently enrolled in should send you a packet of information in October 2012 regarding the plan's benefit for 2013. If you are happy with the plan you have, just follow the instructions in the packet you receive to keep the plan—you may have to do nothing.

Remember that it is a good idea to check your plan carefully each year. Contact your local SHIP Counselor if you want help in re-evaluating your plan and comparing it to other plans available. In Custer and Powder River Counties, the SHIP Counselor is Linda Wolff. (406-234-8028.) In Rosebud County, Patti Crosby is the SHIP Counselor (406-346-2878.)

Linda and Patti, SHIP Counselors, are also available to help you apply for assistance in paying for Medicare premiums providing your income and resources are within the limits for those programs.

LOW INCOME ENERGY ASSISTANCE & WEATHERIZATION PROGRAMS

Don't forget about the Low Income Energy Assistance Program (LIEAP) and Weatherization. SHIP Counselors have the applications and are there to help you complete your application. LIEAP offers assistance with fuel oil, propane, wood or coal for heating purposes. All clients eligible for LIEAP are automatically eligible for weatherization. The clients' homes are ranked on a priority list according to income and energy usage. When your name moves to the top of the priority list, an energy auditor will schedule a time to assess your home's needs for cost-effective weatherization measures for your home. Weatherization measures may include a furnace tune-up, caulking, weather stripping, insulation, storm windows, vent dampers, window quilts, replacement of broken glass, and repair of primary doors. Weatherization may not be able to install all the materials you may need, but they will do the most important weatherization within the dollar limits allowed. Action for Eastern Montana encourages you to apply.

Map Your Neighborhood

November 8, 2012

Miles Community College Room 106

7:00 P.M.

What is Map Your Neighborhood?

"Map Your Neighborhood" (MYN) is a program designed to help neighborhoods prepare for disasters and emergencies.

MYN will help you to:

- **Learn 9 steps** to take immediately following a disaster to secure your home and to protect your neighborhood. It is hard to think clearly following a disaster and these steps will help you to quickly and safely take actions that can minimize damage and protect lives.
- **Identify the skills** and equipment each neighbor has that would be useful in an effective disaster response. Knowing which neighbors have supplies and skills helps your disaster response be timely, and allows everyone to contribute to the response in a meaningful way.
- **Create a neighborhood map** identifying the locations of natural gas and propane tanks for quick response if needed.
- **Create a contact list** that helps identify those with specific needs such as elderly, disabled, or children who may be home alone during certain hours of the day.

Work together as a team to evaluate your neighborhood during the first hour following a disaster and take the necessary actions.

Who should get involved in Map Your Neighborhood?

Citizens interested in preparing their neighborhood for any disaster that could overwhelm 9-1-1 emergency responders.

For more information: 234-3347

THINK YOU KNOW WHO RECEIVES YOUR PROPERTY WHEN YOU PASS AWAY?

Think again...

You are retired at last, perhaps thought about estate planning and either wrote a will or trust and are confident that you now know receives your property when you pass away right? Well, says Dr. Marsha Goetting, "you may be wrong if you have used other Montana tools for avoiding probate."

Dr. Goetting, MSU Extension Family Economics Specialist, will explore the ins and outs of payable on death designations (PODs), transfer on death registrations (TODs), and other beneficiary designations. She will highlight the Beneficiary Deed law that allows a Montanan to pass real property without probate and the new Power of Attorney Law that was passed by the 2011 Legislature. She will also explain what the POLST program that is an actual medical order regarding life sustaining treatment.

Dr. Goetting emphasizes that even if you aren't retired you could achieve peace of mind by attending the session. As a matter a fact people who don't think they have any estate to plan could benefit from the session as most don't realize that state law determines where their property passes simply by the title they have on their personal and real property.

Dr. Marsha A. Goetting is a Professor and Extension Family Economics Specialist at MSU in Bozeman. During the past few years she has presented over 800 workshops reaching over 25,000 Montanans with financial and estate planning information. She has also authored over 75 MontGuides and bulletins and has received national, regional, and state awards for her financial management and estate planning programs.

Protecting the Elderly From Financial Abuse will be presented by Lorretta Rebsom, Customer Service Rep at First Interstate Bank.

10th Annual Vehicle “Winter Check”

Friday, November 16, 2012 9 a.m.—4 p.m

Presented by: MCC Automotive Technology Students

This 41 point inspection is FREE to all RSVP volunteers. The students will go over your vehicle, under the hood, outside the car, and under the car. They will oil hinges, do weather-stripping to prevent doors from freezing and “top off fluids.” Potential problem areas may be identified and recommendations for possible needed repairs or services.

**Hurry and call Dave at 874-6233
to schedule a time for your appointment.**

Friday, November 16, 2012 9:00 a.m. to 4:00 p.m.
